

The story of a smile

OBJECTIVE

This project has the objective of equipping the dental service for the elderly in the Faculty of Dentistry of the Universidad Nacional Mayor de San Marcos.

Equip the dental service in the Faculty of Dentistry of the Universidad Nacional Mayor de San Marcos

Faculty of Dentistry

Dental Service

To carry out this project, we have specialized doctors, healthcare personnel and modern and adequate physical infrastructure.

Seniors will have a specialized dental and oral care service that will improve their quality of life.

Seniors who currently lack
care will be cared for.

Project Cost: \$ 61,357
